

WELCOME – OUR NEW CWL MEMBERS!

Are you a “stay at home” mom? Or perhaps you are widowed or retired, and you find you’re somewhat disconnected from the wide world around you? Get connected now! Join our St. Luke Parish Council of the Catholic Women’s League and have a hand in shaping our future!

At St. Luke you will be a member of the Catholic Women’s League of Canada and also be part of WUCWO, the World Union of Catholic Women’s Organizations with representation at the United Nations. With your membership we’ll have an even stronger influence around the world and continue to be a force for good especially in support of helpless poor women. We are also represented at diocesan (metropolitan), provincial, and national levels and know that we are part of something really big!

Have a good time getting to know other women and doing things together! Give yourself the opportunity to meet and network with many remarkable women from across Canada at annual national conventions. Membership time in the CWL intensifies in the Fall, but we are always glad to answer questions and welcome new members. Take a moment and fill in the coupon below and drop it in the collection basket or mail it to the CWL c/o the Parish. We will get back to you. You really matter to us. Come discover new friends! We look forward to meeting you.

You have no time for or don’t like meetings?

Believe us when we say you don’t have to come to meetings. Of course, those who want to do so get to participate more actively in the day to day activity of our CWL Council, as well as keep up to date with what is going on at diocesan, provincial, national, and international and levels. Still, simply by joining the League and paying your modest annual fee you lend your voice to the countless voiceless and exploited poor women from all over the world, and you get your CWL magazine, which also keeps you posted. You are also entitled to use the CWL national website.

Can a young woman belong to the CWL?

The CWL was started in 1929 by young women, and young women have always been welcome and cherished by all CWL members at all levels all across Canada! Members who are now older were young, most of them, when they joined. Isn’t it cool to know you can be part of an organization where you will continue to be valued when you are no longer young? Why wait? Join now, and bring your friends with you!
