Homeless Christmas Socks ADVENT 2011 L'AVENT Bas de Noël Sans-Abri

Merci pour les Sans-Abri - Thank you for the Homeless

Bring your socks November 26-27th - Apportez vos bas les 26-27 novembre

Hello everyone,

For the fourth year, St. Luke's Social Justice Youth Committee is planning on sharing the Joy of Christmas by preparing our Christmas Socks filled with much needed and appreciated items such as a warm hat, gloves and a scarf along with other necessities for those that are facing a cold winter without a home. We will be delivering the packages to "Spectre de Rue"; they are an organization here in Montreal that offers help to those with problems of addiction, homelessness as well as mental health.

For those receiving the socks, this will possibly be the only gift they get. It brings them a lot of joy and they are grateful for the care and effort that went into preparing their special gift. We encourage all of our Parishioners to participate as a family in our mission; maybe mom and dad could purchase the socks, hat and gloves and the other family members could contribute with shampoo or soap etc... We will be collecting the socks Nov.26th and 27th.

Late date November 30th - Date tardive le 30 novembre
