

HISTORY SPECTRUM STREET

It is through the organization Project 80, Spectrum street that is active in over the past thirty years. He enjoyed his first flight in 1990 with a program of street work with young people under the name *Doors open to young adults*. Four years later the organization was incorporated under the name Spectrum Street and will develop the site fixed and the Day Center.

MISSION AND PEOPLE SERVED

Preventing and reducing the spread of sexually transmitted infections and blood (STIs), HIV / AIDS and various forms of hepatitis among persons 16 years and most marginalized living, working or transiting the territory of downtown Montreal, grappling with problems of addiction, prostitution, homelessness and mental health;

Raise awareness and educate the population and the environment to the realities of these people to promote their cohabitation;

Supporting the efforts of our members to socialization and social integration.
