(2) "The [Faith That Resurrects Hope](#)" (or get it [this way](#)) by Catherine Doherty, [Madonna House Apostolate](#)

(3) "Mommy, Daddy, please speak to me about love?"

Parents are the most qualified to help their children understand their [human sexuality](#) as their God given capacity to love, because parents are the first to love their children completely. Read these notes and be encouraged to have a heart to heart chat with your children aged 3 to 19+.

(4) If you've looked at pornography and had your memory and imagination polluted by such violent and inhuman portrayals of human sexuality or if you have been acting out sexually - alone or with others - it's not too late! Misusing sex damages our human ability to truly love and to develop true friendships. Let Jesus restore your lost innocence!
[Reclaim God's Plan for your Sexual Health!](#)

(5) You wonder why God allows terrible things to happen? You've been hurt and are angry with God? You have no use for a god who could allow violence and atrocities? Check out this very enjoyable modern parable which allows us to "meet" the Holy Trinity:
