

## ***God's Billboard***

These were first seen around Florida several months ago. They are now showing up in Ohio. Some billboards are getting attention in Cleveland. Some people have reported seeing one or two of the messages, but the newspaper listed all of them. Here's a list of all variations of the "God Speaks" billboards. The billboards are a simple black background with white text. No fine print or sponsoring organization is included. These are awesome... enjoy.
